

EDUCATION

SSLC- Model Higher Secondary School   90.0%	2020 - 2021
HSC- Model Higher Secondary School   83.3%	2021 - 2023
B.E.CSE - Sri Eshwar College of Engineering   CGPA : 8.23	2023 - 2027

INTERNSHIP

MERN Stack Intern – Winter Internship

Developed full-stack web applications using MongoDB, Express.js, React.js, and Node.js. Gained practical experience in building scalable and efficient web solutions.

Front-End Development Intern – Unified Mentor Pvt. Ltd. (Nov 2024 – Dec 2024)

Completed a one-month internship, gaining experience in React.js, JavaScript, HTML, CSS, and Figma. Worked on designing and improving user interfaces for web applications, ensuring responsiveness and better user experience.

PROJECTS

Personalized Radio Station: [link](#)

Developed a web-based music streaming application that allows users to explore, filter, and listen to online radio stations based on selected genres. Users can create and manage custom playlists with playback controls for a personalized listening experience.

Full Stack : [MERN](#)

Calorie Counter : [link](#)

Developed a web-based application that helps users log meals, track calorie intake, and monitor their dietary progress. The app features real-time calorie computation, historical data tracking, and personalized goal setting for better health management.

Full Stack : [MERN](#)

CERTIFICATIONS

Certified in - Java Basics - Programming course (Skill Rack)   <a href="#">CERTIFICATE</a>	September 2024
Certified in - Mastering Data structures and algorithms (Udemy)   <a href="#">CERTIFICATE</a>	May 2024
Certified in - C++ Programming (E-box)   <a href="#">CERTIFICATE</a>	March 2024
Certified in - Basics of python (Infosys springboard)   <a href="#">CERTIFICATE</a>	March 2024
Certified in - C Programming Course (Infosys springboard)   <a href="#">CERTIFICATE</a>	February 2024
Certified in - The Complete C Developer Course (Udemy)   <a href="#">CERTIFICATE</a>	January 2024

PROGRAMMING ACHIEVEMENTS

Leetcode	: Rank - 189,504   Solved 400+ problems   <a href="#">Profile</a>
Codechef	: Rating - 916   Solved 700+ problems   <a href="#">Profile</a>
Hackerrank	: Solved 100+ problems   <a href="#">Profile</a>
Codeforces	: Solved 14 problems   <a href="#">Profile</a>
Creathon	: Secured second prize in intra college competition
Codelee	: Secured second prize in intra college competition
Code-Insomania	: Won 1st Prize in 24 hours coding challenge

SKILLS

Languages	- C++   HTML   CSS   Javascript   C++   Java
Full Stack	: MERN
Database	: Mongoddb   MySQL
Core	- Data Structures and Algorithms   OOPS concept
Tools	- VScode   Replit   Canva   Git   Git hub   Figma   Canva
